The Teachings

The Right

A Partial Teaching on The Additional Right Given to Females (Swayamvar)

The Additional Right

“GOD has given to every female, upon arriving at the age of maturity in her own being(body+mind), an additional right to identify, to select, to train, to mate, and to live with a partner in society during Janam”

Comments

Comment 1: This right is enabled when the female becomes mature in her own being.

Comment 2: Every female, upon reaching the age of maturity in her own being, has the right to identify a partner for herself.

Comment 3: Every female, upon reaching the age of maturity in her own being, has the right to select a partner for herself.

Comment 4: Every female, upon reaching the age of maturity in her own being, has the right to train a partner for herself.

Comment 5: Every female, upon reaching the age of maturity in her own being, has the right to mate with a partner.

Comment 6: Every female, upon reaching the age of maturity in her own being, has

the right to live with a partner in society during Janam.

Comment 7: A female is mature when her body starts her biological cycle.
